Subject: Passaic River NRRB meeting

Alice,

I'm on the NRRB, I work out of Edison, not sure if we ever met, I do not get into NYC much anymore, but we may have - my memory is not always what it should be. Anyway, is there an easy way for me to get a copy/access to the ERA for the Passaic River - electronic, I do not want paper I would live without it if it had to be paper.. I can download it if it is on some site.

I would just like to look through the details of the risk estimates.

Thanks

mark
